RE: Site 03/NIKE IDW Disposal Recommendation
NCBC Davisville, Rhode Island
Submitted 15 July 1998, Dated 13 July 1998

Dear Mr. Otis;

The Rhode Island Department of Environmental Management, Office of Waste Management (RIDEM) has reviewed the above referenced document. IDW should be disposed of in accordance with RIDEM Policy 95-02 (IDW Disposal). RIDEM does, however, concur with the recommendations in the above referenced document but notes that IDW generated from wells EA-112D, -112R and -113D should be disposed of at least 100 feet south of Perimeter Road on Navy property.

If you have any questions or require additional information please call me at (401) 222-2797 ext. 7138.

Sincerely,

Richard Gottlieb, P.E.
Principal Sanitary Engineer
